|------------|-------------|---|--|-----------------|--------------|
| 1          | Book        | Solar System Flip Book (Jan-Dec 2010)           |  | 3               | All ages     |
| 2          | Book        | Magic Tree House Research Guide (Space)         | Will Osborne & Mary P. Osborne           | 1               | Children     |
| 3          | Book        | The Stars 2nd Edition                           | H.A Rey                                  | 1               | Teachers     |
| 4          | Book        | Space Exploration                               | Dorling Kindersley                       | 1               | Children     |
| 5          | Book        | The Planets                                     | Planetary Society (California)           | 1               | Armature     |
| 6          | Book        | Extra Solar Planets                             | Ron Miller                               | 1               | Armature     |
| 7          | Book        | The Glow in the Dark Night Sky                  | Clint Hatchett                           | 1               | Children     |
| 8          | Book        | Born with the Bang                              | Jennifer Morgan                          | 1               | Children     |
| 9          | Book        | The New Solar System 4th Edition                |  | 1               | Armature     |
| 10         | Book        | Thorgan Child of the Stars                      | Rosinki-Van Hamme                        | 1               | Children     |
| 11         | Book        | Voyage Through the Universe                     | Alexandria, Virginia                     | 1               | Children     |
| 12         | Book        | Stars & Planets Sticker Activity                |  | 1               | Children     |
| 13         | Book        | Astronomer Explorer of the Universe             | Talle Miller & Jonathan Rubinstein       | 1               | Armature     |
| 14         | Book        | Do Planet Have Points? (Q&A)                    | Melvin & Gilda Berger                    | 1               | All ages     |
| 15         | Book        | What is your Cosmic Connection to the Elements? | James C. Lochner                         | 1               | Children     |
| 16         | Book        | AURORA!   |  | 1               | Children     |
| 17         | Book        | Asteroids                                       | Rusell G. Wright                         | 1               | Armature     |
| 18         | Book        | Science Activity Book                           | Myrl Shireman                            | 1               | Teachers     |
| 19         | Book        | Teacher's Guide                                 | Bill NYE                                 | 1               | Teachers     |
| 20         | Book        | Stars and Planets 2nd Edition                   | Ian Ridpath                              | 1               | Armature     |
| 21         | Book        | The Earth and The Sky (A first discovery)       | Gallimard Jeunesse & Jeane Pierre Verdet | 1               | Children     |
| 22         | Book        | Grow in the Dark (Constellation)                | C.E Thompson                             | 1               | Armature     |
| 23         | Book        | I know About Planets                            | Rand Macmally                            | 1               | Children     |
| 24         | Book        | Inside the Earth                                | Joan Cole                                | 1               | Armature     |
| 25         | Book        | The Planets in Our Solar System                 | Franlyn M. Branley                       | 1               | Armature     |
| 26         | Book        | The Reasons for Seasons                         | Linda Allison                            | 1               | Children     |
| 27         | Book        | Realm of the Universe 3rd Edition               | George O. Abell                          | 1               | Armature     |
| 28         | Book        | A travel Guide to the Solar System              | Rob Miller & William Hortmanan           | 1               | Children     |

### Astronomy Magazines

| No. | Type     | Title                             | Author            | Year/Edition | Quantity | Grade    |
|-----|----------|-----------------------------------|-------------------|--------------|----------|----------|
| 1   | Magazine | What's New in Saturn Ring?        | Sky and Telescope | Nov-06       | 1        | All ages |
| 2   | Magazine | Weighing the Universe             | Sky and Telescope | Dec-04       | 1        | All ages |
| 3   | Magazine | A year on Mars                    | Sky and Telescope | Mar-05       | 1        | All ages |
| 4   | Magazine | The Biggest Bang                  | Sky and Telescope | Mar-04       | 1        | All ages |
| 5   | Magazine | Southern Superstar                | Sky and Telescope | Oct-04       | 1        | All ages |
| 6   | Magazine | What Happened to Pluto?           | Sky and Telescope | Nov-06       | 1        | All ages |
| 7   | Magazine | Where did our Universe Come From? | Sky and Telescope | Dec-06       | 1        | All ages |
| 8   | Magazine | Brown Dwarfs: Cooler than Cool    | Sky and Telescope | May-05       | 1        | All ages |
| 9   | Magazine | Welcome Titan!                    | Sky and Telescope | Apr-05       | 1        | All ages |
| 10  | Magazine | 25 Hot Products for 2005          | Sky and Telescope | Jan-05       | 1        | All ages |
| 11  | Magazine | New View of Saturn Rings          | Sky and Telescope | Nov-04       | 1        | All ages |
| 12  | Magazine | Crashing into a Comet             | Sky and Telescope | Jun-05       | 1        | All ages |
| 13  | Magazine | Bring Out your Binoculars         | Sky and Telescope | Oct-06       | 1        | All ages |
| 14  | Magazine | Sombrero Galaxy                   | Sky and Telescope | Jun-05       | 1        | All ages |
| 15  | Magazine | Kid Friend Telescopes             | Sky and Telescope | Jun-05       | 1        | All ages |
| 16  | Magazine | Stellar Archeology                | Sky and Telescope | May-05       | 1        | All ages |
| 17  | Magazine | Your Guide to the Moon            | Sky and Telescope |              | 2        | Teachers |
| 18  | Magazine | Welcome to Astronomy              | Sky and Telescope |              | 1        | Teachers |

### Teaching Material and Posters

| No. | Type    | Title               | Quantity |
|-----|---------|---------------------|----------|
| 1   | Model   | Inflatable Universe | 1        |
| 2   | Posters | Different Titles    | 40       |

**CD/DVD and Software**

| No. | Type        | Title                             | Year/Edition              | Quantity | Grade    |
|-----|-------------|-----------------------------------|---------------------------|----------|----------|
| 1   | CD/DVD      | The Sun and Space Weather         | Version 1-NASA            | 4        | Armature |
| 2   | DVD         | Infinite Cosmos                   | 2007                      | 1        | All ages |
| 3   | DVD         | 3D Sun                            |                           | 3        | Armature |
| 4   | DVD         | Journey to the Stars              |                           | 1        | All ages |
| 5   | CD/Software | Hubble Universe 1.2 Version       | 2002                      | 1        | All ages |
| 6   | DVD         | Cosmic Collisions                 | 2008-NASA                 | 4        | All ages |
| 7   | DVD         | Beginning of the Space Age        | 2007                      | 1        | Armature |
| 8   | DVD         | Ring World (Cassins Mission)      | 2005-NASA                 | 1        | Armature |
| 9   | CD          | Solar Dynamic Observatory         | 8/1/2008-NASA             | 1        | Armature |
| 10  | CD          | 400 Years of Telescope            | 2009 Interstellar Studios | 1        | Armature |
| 11  | DVD         | Imagine the Universe 11th Edition | Mar-07                    | 1        | Armature |
| 12  | DVD         | Imagine the Universe 10th Edition | Mar-06                    | 1        | Armature |
| 13  | CD          | Imagine the Universe 12th Edition | Mar-08                    | 2        | All ages |
